

# Making it even easier to get AA Roadservice.

Your commercial motor vehicles and their drivers are no use to you if they're stuck on the road somewhere. AA Roadservice and Vero can help you get them going again.

Minor mishaps such as flat tyres, flat batteries, empty fuel tanks and forgotten keys can lead to major costs and losses in productivity. Our partnership with the AA means you'll get Roadside Assistance at special low rates not available to others.

You can also upgrade your cover to include emergency taxis, accommodation and rental vehicle costs to keep your business moving.

## BENEFITS

- 1 Roadside mechanical failure assistance and unlimited call outs.
- 2 Free towing to the nearest AA approved repairer if the problem can't be addressed on site.
- 3 Facilitation and advice at accident scenes.

### MOTORING EXCELLENCE

The AA is a leading advocate for motorists having grown from a pioneering automobile club.

### MURPHY'S LAW

Breakdowns happen and usually where you least expect. Be prepared with the AA's Roadservice app.

### NEED HELP?

Vero and the AA are here to help 24 hours a day, seven days a week.
