

Lower prices on Novus auto glass repair and replacement.

As a Vero customer, you'll enjoy special pricing on a tailor-made fleet service for your auto glass repairs and replacements from Novus.

Novus doesn't just repair or replace light and heavy vehicle windscreens and windows, they also do windows on canopies, caravans, farm equipment, diggers, trucks and coaches – including mirror glass. You can also get scratch and graffiti removal services. In most cases, Novus can perform the work on site at your premises.

Based on our partnership with Novus and your status as a Vero customer, Novus will ensure you're provided with a specifically tailored service arrangement, at preferential pricing.

BENEFITS

- 1** Save costs on auto glass repairs and replacement.
