

Most common claims for Tradies

Source: Vero New Zealand Claims 2019–2024

Burglary/Theft

Loss of property due to either a break in to a secure premise or removal of property by someone who has access to it e.g. had keys, worked there etc.

Accidental damage/Loss

Damage, loss or loss of function resulting from a sudden, unintended and unforeseen one-off incident that harms property or its contents.

Burglary/Theft from vehicle

Loss of property due to either a break-in to a motor vehicle or removal of property by someone who has access to the vehicle.

Weather events

Damage/loss caused by flood, hail, lightning, snow, storms and wind. This also includes storm surge.

Damage in transit

Damage to property while it is being transported from one location to another as part of your business activity.

Impact damage

Damage to property caused by collisions, falling objects etc. For example a vehicle colliding with a fence, building or canopy, trees, branches, a transport container or other goods falling onto property.

Fire/Explosion/Arson

Losses caused by a fire starting accidentally, or being set maliciously or deliberately and losses caused by explosions (the production of heat, light, noise and a shock wave) for example caused by chemical reactions, gas or fluid over-pressure or ignited gasses.

Keep in mind that things like fire – while it may have a lower claims frequency – can be equally, if not more, devastating. That's why the Vero Risk guides cover a wide range of business risks by industry.

Top 3 causes of loss for Tradies

Burglary /Theft

Having any property stolen – whether it's personal or owned by your business – can be a distressing experience. You can reduce these risks by:

- Having good physical protection
- Installing good quality intruder alarms and having these monitored
- Having CCTV available
- Deploying regular security patrols
- Having good fire detection on hand (for arson).

Accidental damage/Loss

Accidents happen. But knowing the risks can protect property, equipment and people. You can reduce them by:

- Having a risk-aware culture at your workplace
- Doing regular maintenance checks
- Training your staff
- Introducing clear operating procedures.

Burglary/Theft from vehicle

Most of the claims from Tradies come from burglary and theft – usually of tools and equipment from their vehicle or work site. You can reduce these risks by:

- Marking your tools and equipment
- Recording serial numbers
- Parking your vehicles in a secure spot, in a well-lit area
- Keeping vigilant and alert to risks.

Working together to manage business risk

Check out the Vero Risk guides to help identify and manage typical business risks. Focusing on a range of industries and occupations, they provide useful information to help keep your business running and team safe. www.vero.co.nz/risk-profiler
